Good afternoon Lorena,

I hope all is well with you and that your renewal is moving forward as you expected. Attached please find our contract with the San Pedro PBID. As discussed earlier this year, the FY 2016/17 assessment roll was submitted by the City of LA by June 1. As part of our contract, in the event any parcels rejected from the tax roll, NBS assists in identifying new parcels so you can calculate the assessment amounts and resubmit to the City for processing with the County. In lieu of processing your levy, we supply property characteristics information for your renewal effort.

Please let me know your thoughts.

Best regards,

GREG DAVIDSON
